

**Disaster Preparedness:
IT & Communications Continuity During & After**

Sponsorship Overview

Event

Description: Conduct a half day conference for local and state government officials and technology executives to discuss best practices / technical solutions to enable IT and communications continuity during and after a disaster. This conference will provide current, relevant information for organizations to assist them in disaster planning.

Audience: Prospective buyers from city, county and state government

Panel Sponsor

Pricing: \$495 - Member Panel Sponsor
\$995 - Non-member Sponsor

Sponsor

Package: *Limit of 2 Panel Sponsors per Panel*

Each sponsor will have a panelist on the panel of their choice. The panelist will present a best practice/case study solution that they have already successfully installed in a government facility. Each panelist should allow no more than 15 minutes for presentation and 10 minutes for questions and answers.
