

Packaged Savings[®]

Bundle your benefits for savings and simplicity

For groups of 2-99

Buy your medical plan and specialty products together and save.

UnitedHealthcare gives you one-stop shopping for quality, comprehensive health care benefits. You can combine our innovative, affordable medical plans with comprehensive specialty products - Dental, Life, Disability and Vision.

When you bundle your benefits, you can expect proven knowledge and service from a leading specialty carrier plus the simplicity and convenience of just one team to administer your benefits. The savings you realize through Packaged Savings are based upon medical enrollment and the number of active lines of specialty coverage you have with UnitedHealthcare. The more you bundle, the more you save.

Long-Term Disability must be bundled in conjunction with Life coverage to qualify for the program and be eligible for credit.

Per-employee per-month savings is given as a monthly credit based on the number of enrolled UnitedHealthcare medical subscribers.

Packaged Savings means:

- Bundled UnitedHealthcare medical and specialty products for administrative credit
- Savings based on medical enrollment and coverages chosen
- One account team for all of your benefits needs
- Streamlined administration
- State-of-the-art online employer tools

Packaged price is available for the initial 12 months that eligible benefits remain in-force. Credits will be withdrawn when any medical or specialty coverages terminate. Program is subject to change at any time.

Program terms and conditions

1. Not all specialty products are available in all states and for all group sizes. Check with your UnitedHealthcare representative.
2. The applied savings is available for the initial 12 months that eligible benefits remain in-force. Credits will be withdrawn when any medical or specialty coverages terminate. Program is subject to change at any time.
3. Per-employee per-month (PEPM) savings is given as a monthly credit based on the number of enrolled UnitedHealthcare medical subscribers.
4. The Packaged Savings program is available to all new and existing medical insurance customers who have 2 to 99 eligible employees, and who purchase new specialty products through UnitedHealthcare. It is not available on previously sold specialty and medical combinations.
5. Contributory dental and vision plan participation must be 75 percent or greater as a percentage of enrolled medical subscribers.
6. Voluntary specialty product plans do not qualify for the Packaged Savings program.
7. Long-Term Disability does not qualify for the Packaged Savings program unless sold with Life.
8. Life insurance plans qualifying for Packaged Savings must completely replace existing life plans or be added to customers with no prior Life coverage; adding an additional life policy to an existing life benefit does not qualify for Packaged Savings.
9. Customers who have existing basic and supplemental life with another carrier must place both the basic and supplemental life policies with UnitedHealthcare to qualify for Packaged Savings when UnitedHealthcare is able to offer similar plan designs and coverage.
10. To qualify for the life insurance credit, all employees enrolling in medical coverage must also be enrolled in life coverage.
11. The following business is currently excluded from the Packaged Savings program: business underwritten or administered by Oxford Health Plans.
12. MAMSI license dental and life do not qualify unless sold with MAMSI license medical. MAMSI discount dental plans do not qualify for the Packaged Savings program.
13. Specialty products can be added off-cycle from the medical product effective date. However if the medical product terminates any remaining Packaged Savings administrative credits will be forfeited.
14. UnitedHealthcare retains sole and complete discretion to revise or terminate the Packaged Savings program at any time.
15. The policies referred to have exclusions, limitations, reductions of benefits and terms under which the policy may be continued in force or discontinued.

Total Affordability ManagementSM attacks the root causes of rising costs

As health care costs continue to rise, employers need to limit their financial exposure while still providing access to cost effective health care for their employees. Total Affordability Management addresses each of the principal components of rising health care costs: health care system utilization and fixed costs (administration). Packaged Savings helps simplify and streamline the administrative part of the cost equation for everyone.

Simpler processes, smarter solutions, better results for you.
